SUPPLEMENTAL INSURANCE POLICY
LIMITED BENEFIT, SUPPLEMENTAL HOSPITAL CONFINEMENT INDEMNITY INSURANCE
Outline of Coverage for Policy Form B40100PA

THIS IS NOT MEDICARE SUPPLEMENT COVERAGE.

If you are eligible for Medicare, review the “Guide to Health Insurance for People with Medicare” furnished by Aflac.

- (1) **Read Your Policy Carefully:** This Outline of Coverage provides a very brief description of some of the important features of the policy. This is not the insurance contract and only the actual policy provisions will control. The policy itself sets forth, in detail, the rights and obligations of both you and Aflac. It is, therefore, important that you READ YOUR POLICY CAREFULLY.
- (2) **Supplemental Hospital Confinement Indemnity Policy** is designed to provide, to persons insured, limited or supplemental coverage in the form of a fixed benefit during periods of hospitalization or care resulting from Sickness or Injury, subject to any limitations set forth in your policy. It does not provide any benefits other than the fixed indemnity for Hospital Confinement and any additional benefits described below.
- (3) **Benefits:** Aflac will pay the following benefits, as applicable, for a covered Sickness or Injury that occurs while coverage is in force, subject to the Pre-existing Condition Limitations, Limitations and Exclusions, and all other policy provisions, unless indicated otherwise. The term “Hospital Confinement” does not include emergency rooms. Treatment or confinement in a U.S. government Hospital does not require a charge for benefits to be payable.
- A. HOSPITAL ADMISSION BENEFIT:** Aflac will pay \$[] when a Covered Person requires Hospital Confinement for 23 or more hours for a covered Sickness or Injury and a room charge is incurred. This benefit is payable once per Calendar Year, per Covered Person. No lifetime maximum.
- B. REHABILITATION FACILITY BENEFIT:** Aflac will pay \$100 per day when a Covered Person is confined in a Hospital and is transferred to a room in a Rehabilitation Facility for treatment of a covered Sickness or Injury and a charge is incurred each day for such treatment. This benefit is limited to 31 days per Period of Hospital Confinement and is limited to a Calendar Year maximum of 31 days, per Covered Person. No lifetime maximum.
- C. HOSPITAL EMERGENCY ROOM BENEFIT:** Aflac will pay \$100 when a Covered Person receives treatment for a covered Sickness or Injury in a Hospital Emergency Room, including triage, and a charge is incurred for such treatment. This benefit is payable twice per Calendar Year, per Covered Person. No lifetime maximum.
- D. HOSPITAL SHORT-STAY BENEFIT:** Aflac will pay \$100 when a Covered Person receives treatment for a covered Sickness or Injury in a Hospital, including an observation room, or an Ambulatory Surgical Center, for a period of less than 23 hours and a charge is incurred for such treatment. This benefit is not payable for treatment received in a Hospital Emergency Room or Urgent Care Center. This benefit is payable twice per Calendar Year, per policy. No lifetime maximum.
- E. WAIVER OF PREMIUM BENEFIT:** Upon written notice, Aflac will waive from month to month any premium(s) falling due during a continued Period of Hospital Confinement for the Named Insured only. This benefit will begin after the Period of Hospital Confinement for the Named Insured has exceeded 30 consecutive days. When such continued Period of Hospital Confinement has ended, premium payments must be resumed. Once premium payments are resumed, any new Period of Hospital Confinement must again satisfy the 30-day continued confinement for premiums to be waived.
- If you die and your Spouse becomes the new Named Insured, premiums will start again at the appropriate rate and will be due on the first premium due date after the change. The new Named Insured will then be eligible for this benefit if the need arises.
- (4) **Optional Benefits:**
